

Who Arrested Whom?

1. Christians view Jesus's arrest and crucifixion very differently from unbelievers. What are some of these differences?
2. In what ways did Jesus show His sovereignty and control over the circumstances leading to His death?
3. How does Jesus's sovereignty over these events impact the way you view your own struggles, disappointments, and trials?
4. Jesus protected His disciples' faith, even on the eve of His crucifixion. How has Jesus protected your faith from failing?
5. What are some signs that someone has become cold or indifferent toward Jesus? Where would you look in Scripture to identify these signs?
6. Where else does the Bible teach us that Jesus protects His people's faith?
7. In your prayer time, thank Jesus for His sovereign protection of your faith, and ask Him to continue to guard each other's faith until the day you stand with Him in glory (Jude 24-25).
