

The Glorious Lamb

1. When you think of missions, what do you tend to focus on? Why do you think that is?

2. How can the church and Christians be involved in missions? How do you think God wants you to participate in this work?

3. Explain which glory of Christ stood out to you most and why:
 - a. Jesus reigns over human history
 - b. Jesus conquered the power of death
 - c. Jesus accomplished a global salvation
 - d. Jesus is worthy of all worship

4. The truths in Revelation 5 have fueled mission work throughout church history. What other passages of Scripture can fuel our participation in the work of missions?

5. What are some of your thoughts and feelings as NBC prepares to, Lord willing, send out some of its own missionaries later this year?

6. In your prayer time, take time to pray for our church's future opportunity to participate in missions, as well as for our church's leaders and future missionaries.
