

What is Truth?!

1. In what ways do you see Jesus put “on trial” in our society, in the media, or in your own experiences with others?
2. Just as in Jesus’ day, we see “showy religiosity” and “secular reasoning” in our own time. What spiritual dangers do these two tendencies lead to?
3. Read John 18:35-37. How does Jesus describe His own role as King and His kingdom? In what ways should this affect how we live as Christians?
4. How would answer Pilate’s question, “What is truth” (John 18:38)?
5. How does the contrast between Jesus and Barabbas encourage your faith?
6. In your prayer time, thank God for the truth we have in His Son and His Word, and ask for His help to stand for that truth.
