

**“It Is Finished!”**

1. How were you encouraged by the testimonies and baptisms that took place on Sunday?
2. Jesus’ death gives us access to God’s presence, as pictured by the tearing of the veil in the temple. How might we be tempted to “sew” the curtain back together and restrict our access to God?
3. Many aspects of Jesus’ crucifixion were prophesied in the Old Testament. What does this teach us about God’s sovereignty and human sin?
4. How does Jesus’ concern for Mary reflect the gospel? In what ways can we cultivate a heart like our Savior?
5. Jesus finished the work of redemption. How should this affect the way we live our lives?
6. In your prayer time, Thank Jesus for finishing the work of redemption.
